Chris Croft : Mediator CV

Mediation Experience :

I became an accredited mediator in October 2004 and have been involved in over 40 mediations through both Lambeth Mediation Services and as a Panel Mediator with Mediation Solve. It's brilliant to be able to help parties settle their disputes, saving them costs and time. I have also been appointed as an Arbitrator in over 10 cases.

Insurance Industry Experience :

I have worked in the London Insurance Market for over 40 years. I was the Reinsurance Director of CMGL from 1994 to 2004 which included managing the reinsurance claim assets all CMGL's clients. In 2000 I became the Run Off Manger of 2 high profiles Syndicate 957 and 1101. Both syndicates were involved in many large value disputes which I managed to settle.

Prior to 1994 I was the Reinsurance Director of Anglo American Insurance company from 1990. I started work in 1968 at the Corporation of Lloyd's and after 2 years joined Willis Faber in their reinsurance accounts Department. In 1973 I joined H S Weavers (Underwriting) Agencies Ltd, the largest London underwriter of US Liability business in the 1970s and 1980's where I became Reinsurance Director in 1985. I also underwrote an LMX reinsurance account at both Weavers and Anglo American.

I now act as a consultant to both Lloyd's Syndicates and insurance companies.

Professional Qualifications :

Member of the Chartered Institute of Arbitrators, Accredited Mediator both since 2004.
