

MATT MOLLOY

PROFILE:

Matt is a Chartered Quantity Surveyor, a Chartered Arbitrator, a CEDR trained Mediator and has been called to the Bar. He has been appointed or agreed as Adjudicator on over 450 occasions, and is on the RICS, TeCSA, CIArb, CIC and RIBA panels of Adjudicators.

MEDIATION EXPERIENCE:

Matt qualified to act as a Mediator with CEDR in 1999. Since that time he acted as mediator in relation construction and property related disputes including complex multi-party disputes, disputes involving public and private bodies, private individuals and insured professionals.

Drawing on his considerable experience and expertise as a construction industry adjudicator, chartered arbitrator and expert witness, he is increasingly being asked to adopt an evaluative style if he considers it appropriate to do so, which sometimes involves giving a recommendation. Matt is comfortable with either a facilitative or evaluative style, or a combination of both.

OTHER PROFESSIONAL EXPERIENCE:

Matt has worked in the construction industry since 1987. He qualified as a Chartered Quantity Surveyor in 1993, having completed his studies whilst working with a national contractor.

After qualification he joined a regional contractor where, after undertaking an MSc in Construction Management and qualifying as a Chartered Builder, he progressed to contracts management. Since forming MCMS in 1996, Matt has specialised in providing quantity surveying services, contract advice and dispute resolution services to a wide variety of clients. He is a Fellow of the Chartered Institute of Arbitrators and a Chartered Arbitrator, and is a member of the Academy of Experts.

He trained as a mediator with CEDR, and was called to the Bar in 2001. He has been appointed as adjudicator on over 450 occasions, and has acted as adjudicator in construction and engineering disputes ranging in value up to £87m, including PFI, PPP and utility contracts. Matt is on the RICS, TeCSA, CI Arb, CEDR, CIC and RIBA panels of adjudicators. He also acts as an expert witness in quantity surveying matters and has given oral evidence both in court and arbitration.
